Hybrid Tile

Beautiful natural stone designs

Topdeck Flooring

As Australia's leading timber floorboards supplier and wholesaler, all products imported by Topdeck Flooring are legally logged and sourced from sustainable, managed forests globally. All our partners and factories hold FSC and/or PEFC Chain of Custody Certifications, allowing our product to hold such scope of certifications.

Artisan Hybrid Tile

Beautiful natural stone designs, now in rigid core!

Artisan Hybrid Tiles represents the next generation of Hybrid Flooring, utilizing advanced manufacturing techniques to develop multi-layer rigid composite core planks (RCP). Its solid core construction and high density allow for a truly waterproof tile, making it indentation resistant. The enhanced multi-layer rigid core construction also provides excellent performance characteristics, with little to no floorboard movement.

Arriving with 12 new stone designs, Artisan Hybrid Tiles allow you to showcase natural beauty whilst maintaining the durability and waterproof qualities of luxury vinyl tiles. Imagine the look of natural stone – tiling your interior with organic, minimalistic and beautiful colours and shades.

With our hybrid tiles, we recreate the realism of natural stone with significantly more comfort compared to its natural counterpart. Unlike the hard and cold surface of ceramic tiles and natural stone, Artisan Hybrid Tiles are soft to the touch, warmer, and comfortable underfoot.

ARTISAN HYBRID TILES

TECHNICAL SPECIFICATIONS

TYPE

Artisan Hybrid Tiles

DIMENSIONS

620mm x 310mm x 9mm
(7/0.5mm SPC + 2mm EVA)

BOX CONTAINS

8 Planks = 1.5376m²/box

INSTALLATION METHOD

Floating Floor (Licensed Click System)

SLIP RATING

AS4586 (2013) Slip Resistance Classification of
New Pedestrian Surface Materials
Appendix A - Wet Pendulum Test
Achieved a pass of P4

FIRE RATING

Critical Heat/Radiant Flux (CHF)
Pass the AS ISO 9239.1 Standard as required by
the Australian National Construction Code

ACOUSTIC RATING

Achieved AAAC 5 Star Acoustic Rating

ENVIRONMENTAL & QUALITY CERTIFICATES

VOC E0 (Volatile Organic Compound)
ISO9000 Quality Control System
ISO14000 Environment Control System

STRUCTURAL WARRANTY

Life Time Structure Warranty

VINYL WEAR LAYER

Hardened vinyl wear layer provides excellent
resistance to scuffs and abrasions.

LUXURY RIGID CORE

100% phthalate-free extruded closed-cell core
provides exceptional rigidity, dimensional stability,
and anti-telegraphing performance.

QUIET INTEGRATED SOUND REDUCTION UNDERLAYMENT

Bonded cross-linked underlayment minimizes impact and
transmitted sound, provides underfoot warmth and comfort,
and mitigates subfloor imperfections.

URETHANE WITH CERAMIC BEAD FINISH

UV cured urethane and ceramic
bead top coating for enhanced
durability, stain resistance,
and easy care and maintenance.

HD DECORATIVE FILM

High definition film prints create vivid,
natural wood, stone, and abstract looks.

CLICK LOCKING SYSTEM

Innovative locking system enables
quick, easy, hassle-free installation.

For detail maintenance & installation guidelines please refer to the website.

The background of the entire page is a light-colored, possibly white or very light grey, surface with a complex, organic, marbled pattern. The pattern consists of thin, dark grey or black veins that swirl and flow across the page in various directions, creating a sense of movement and depth. The overall effect is reminiscent of natural stone like marble or a high-quality paper with a marbled texture.

*Quality is our attitude, as we are
always striving to meet and exceed
our customers expectations.*
