Summary Page For MEYER TOWNSHIP

\* The totals in the "Excluding Exempt Properties" row do NOT include Pacel Class "EX" property values in any of the calculations.  
If you do not have any values on exempt properties, the results in both rows, for the most part, may appear to be the same.  
This additional row of information has been added to this report for some counties, which have value assessed on exempt properties.  
NOTE: True-Full values on Exempt "EX" parcels are different than Exemption Detail Records -- which are not included in True-Full values.

\*\* The summary information showing Total Acres for Agricultural Land, on this report, are grouped based on Parcel Class...  
Total Ag Acres = "AG" Parcel Class with Ag Acres  
Total Non-Acres = "NA" Parcel Class with Ag Acres  
Total Exempt Acres = "EX" Parcel Class with Ag Acres  
NOTE: These acres may also include acres from Parcels, which have Zero amounts for assessed values.
