CT Code of Professional Responsibility

Individually, read the Preamble. Note any words/phrases that speak to this work in school climate. When you have finished reading it to yourself, we will share as a large group.

"MANY MODELS""

CT Code of Professional Responsibility

Just look at one small part of the Code:

Section (b): Responsibility to the Student, sub-section (1) (A)

"The professional educator, in full recognition of his or her obligation to the student, shall: Recognize, respect and uphold the dignity and worth of students as individual human beings, and, therefore, deal justly and considerately with students;"

As specifically as possible, describe what each of the following looks like, sounds like and feels like on the flip charts around the room.

- *Respect and uphold the dignity and worth of students*
- *Respect each student as an individual human being*
- *Deal justly and considerately with students*
