## Wild About Art - Joint Art Show

October 6 - 11, 2025

### Sponsorship Proposal

---

The Waterway Art Association, Calabash, NC, a fine art painting group, and the Wildlife Artists of the Carolinas, Wilmington, NC, an art and environmental advocacy group, are teaming up for a **first ever** nature inspired art show October 6 to 11 at the Sunset River Gallery, Calabash. As you probably know, visitors and residents alike look forward to our area art events.

As an important member of our community, this is **your opportunity** to keep our community great by supporting our very talented painters, photographers, and sculptors. Your donation will support this show and associate your business with one of our 10 awards. But hurry! Coveted awards are going fast!

You may make your donation through one of our volunteer members. Your business logo or personal name will be included on our gallery poster, in our show brochure and on our web and social media sites. And, of course, donation letters will be available for your **tax-deductible** contribution.

Please review the list of award levels below to select your sponsorship level. And remember to be **our guest** at our Awards Reception, Friday evening, October 10, from 5 to 7 pm at the Sunset River Gallery, 10283 Beach Drive, Calabash.

Co-chairs Bonnie and Allison are available to answer your questions. On behalf of each organization, we thank you for your support.
