-For Acrylics, Golden Open or Heavy Bodied acrylics and Lukas Cryl Pastos heavy bodied acrylics

Paint Brushes

3/8" or 1/2" Dagger (hog bristle or Synthetic)

1/4" Dagger

#4 and #8 Filberts (bristle or synthetic)

#10 or #8 Flat

#4 Bristle fan

#0, 1, 2 synthetic pointed rounds for details

Please bring brushes as listed or as close as possible. I will have some daggers and mops available for purchase in class.

Mediums- ESSENTIAL!!

For Oils:

Winsor and Newton Liquin Original

Winsor and Newton Liquin Impasto

Winsor and Newton Liquin Fine Detail

(Other favorite brands are acceptable)

ODOR-FREE mineral spirits or similar for cleaning

For Acrylics:

Liquitex Professional Slow-Dri Blending Medium

Golden Heavy body Gel medium (gloss or matte)

(Other favorite brands are acceptable)

Canvas

18" x 24" x 1.5" or **larger** pre-geessoed stretched canvas

Other Please also bring an easel (floor or table) if you can

- your palette complete with either a cover or plastic wrap

- a small palette knife if desired

- a sealable container for mineral spirits or a container for water

- rags or paper towels / baby wipes are also helpful

Please prepare your canvas with a light burnt sienna wash BEFORE coming to the workshop. Mix some burnt sienna paint enough mineral spirits, or a 50/50 medium/water mix for acrylics, to make a thin wash. Cover the front and all sides of the canvas, then use a rag to rub the wash into the canvas and wipe off any excess wash. Canvas should be dry to the touch within an hour or so.

PRO TIP (we will cover in this workshop):

Your painting should display four basic attributes

Line • Tone • Color • Edge

Your painting should exhibit proper

Form • Depth • Light • Material

Your painting will then convey a sense of

Time • Space • Mood • Story

Thank you for painting with me! Please feel free to reach out any time! (716) 704-5588 • sabinebaeckmannart@gmail.com
