THE EDGE OF THE KNIFE - A UNIQUE APPROACH TO PALETTE-Gwen Pikul

KNIFE PAINTING

In this class, you will become familiar and comfortable painting using only palette knives, paint spreaders, and spatchers. I will show you tips and techniques to achieve soft, smooth areas and defined lines using these tools. It is quite fun and freeing once you get the hang of it! I can't wait to see the masterpieces you will create! See you in class!

Suggested Supply List:

Canvas(s) or canvas panel board(s),* I would suggest 9x12 or larger. You may bring several if you choose to do so.

Reference photos - architecture, landscapes, or simple linear abstracts- would work well. You may also choose to paint from one of my examples. I will bring these to class.

Acrylic paints - (not craft paint): bring any and all colors you will be using for the painting you want to achieve.

Palette knives - all sizes

Paint spreaders and paint spatulas- both are available at Hobby Lobby or Amazon. I will also bring some if you do not have these.

Smock, ruler, water container, paper towels, pencil.

Small brush for fine details if needed.

Black & White acrylic fine-tip markers for signing and detail

*Please pre-paint these to prime the canvas in a neutral light-colored acrylic paint.
