This annual event draws over 500 guests each year, features over 60 local artists, and over 125 pieces of art. This is a judged show with cash prizes. The awards are made possible through the generous support of many local sponsors, such as yourself. By being a sponsor your company will be seen as supporter of fine art by local artists.

Our mission is to encourage artistic awareness and the enjoyment of fine arts and to stimulate growth both on individual and community levels. We fulfill our mission with art exhibits and shows, workshops, demonstrations, indoor and outdoor painting sessions, as well as trips to regional art venues. By providing channels for networking and communication, our members experience a creative environment for learning, sharing and building friendships. Your financial sponsorship of our Art Show will help us further our mission. Waterway Art Association is a 501 (c) 3 organization.
