

Date : 12 /08/2025 (Monday)

Time: 9.30am-3.30pm/ 9.30am-12.30pm

Open to all levels.

This workshop will provide everything you need to know about painting with gouache.

Gouache is a versatile medium and can be used as watercolor or acrylic or oil painting. It's known for its vibrant color and quick drying, making it a travel friendly medium.

We will be doing basic painting and also paint-mixing, while creating a gorgeous work of your own art. A workshop on creating vibrant, colorful paintings with gouache!

SUPPLY LIST

- **gouache paints.**

I like using *Winsor & Newton* brand. A lot can be done with just the basic *Winsor & Newton Designers Gouache Primary Paint Set* of 6 and an **extra tube of titanium white.**

- A **notebook for notes and ideas.**
- **Pencils and pens for drawing.**
- **Cold press watercolor 140lb paper pad.** Your choice of size (9x12 or 6x8)
- **Roll of ¼” white artist tape** preferred or just blue tape is fine.

We will be doing small works.

- **Set of watercolor brushes.** Get the affordable variety bag of synthetic brushes if you don't have any. Flats, rounds of varying sizes.
- **Watercolor mixing tray** with ample mixing space (Butcher Tray is advisable and not the flower tray)
- **A water cup**
- **Guideline to colors if you want to buy separate tubes**

- Permanent white,
- primary or cad yellow,
- yellow ochre,
- marigold yellow or cad orange med,
- burnt sienna,
- cad red,
- alizarine crimson or quinacridone magenta,
- spectrum violet,
- ultramarine blue,
- cerulean blue,
- oxides of chromium green and burnt umber.

Please don't buy acrylic gouache

- **Easel** – your choice (table or standing) else you can do flat on table.
- **Paper towels** or painting rags
