**Prayer**

**'Amazing Grace'**

Amazing grace, How sweet the sound  
That saved a wretch like me  
I once was lost  
But now I'm found, was blind, but now I see

'Twas grace that taught my heart to fear  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed

The Lord has promised good to me  
His word my hope secures  
He will my shield and portion be  
As long as life endures

When we've been there ten thousand years  
Bright shining as the sun  
We've no less days to sing God's praise  
Than when we'd first begun

### **Meditation**

**'Beautiful Things'**

*Gungor*

All this pain I wonder if I'll ever find my way  
I wonder if I my life could really change at all  
All this earth, could all that is lost ever be found  
Could a garden come up from this ground at all

You make beautiful things  
You make beautiful things out of the dust  
You make beautiful things  
You make beautiful things out of us

All around, life is springing up from this old ground  
Out of chaos life is being found in You

*Bridge:* You make me new, You are making me new

**Tyler** was born and raised on St. Thomas, and attended Antilles School from the age of 3. His passion for the Lord and involvement with STRC began before he could walk. From attending Children and Worship each Sunday (taught by his mom), singing and soloing in the Children's Choir to being a leader in XYG, his passion for the Lord was evident. Tyler was an avid photographer and was always up-to-date with the latest technology and gadgets. He enjoyed many things: outdoor adventures, scuba diving with his dad, sailing, and everything astronomical. He went to space camp, learning a lot about stars and even had one named for his girlfriend, AnaPia Brunt. Tyler would have graduated this May and had planned to attend Embry-Riddle Aeronautical University to become a pilot.

**Neisha** grew up in Buffalo Springs Lake, Texas and graduated from Texas Tech University with a degree in accounting. In 1991 she moved to St. Thomas. Neisha was an active member of STRC for many years serving as a Sunday School teacher, a Bible study facilitator and a member of the Consistory. After working at various jobs, she started Beep Business in 1995 and later went on to open Nola's Boutique. Neisha's soft spirit and loving presence will be missed by many. She has been a great comfort to her mother after the passing of her dad. Her deep faith and commitment to helping others was evident to all who knew her.

**Daniel** came to St. Thomas from Ohio where he was born and raised in the early 90's. He and Neisha were married in 1994. Daniel's business acumen made Beep the well known enterprise it is now. His love for St. Thomas and its people was evident. He and Neisha supported a variety of community endeavors, engaged other parents at Antilles School where Tyler was a graduating senior and supported numerous social causes. Daniel enjoyed various outdoor activities, especially cycling. Many Sundays his biking route would end at STRC where he faithfully worshipped. His energy, passion, generosity, & church and community involvement will be deeply missed by all.

In honor of Neisha, Daniel and Tyler: in lieu of flowers, donations may be made to the St. Thomas Reformed Church and Buffalo Community Church in Lubbock, Texas .
