Garbage Bin Policy Reminder

Dear Residents,

This notice is a reminder of our community garbage bin policy. Garbage bins must be placed at the curb on **Wednesday evening** for the City of Orangeburg pickup on **Thursday morning at approximately 7:00 a.m.**

After your garbage has been collected, you are required to return your garbage bin behind your unit **no later than the end of Thursday evening.**

To help keep our community clean, safe, and attractive for everyone, any garbage bin left at the curb after Thursday evening will result in a **\$25.00 fine per bin, per day** until it has been returned behind the unit.

Your cooperation helps prevent litter, improves the appearance of the property, and reduces the risk of pests and other health hazards.

Thank you for your prompt attention to this matter and for helping us maintain a clean community.

Sincerely,

B. Sellers Boulevard Estates Management
