# SIPS

**We pride ourselves in supplying our guests with the vibrant taste of the Pacific Northwest.**

**Sip a downtown-brewed Northwest IPA featuring Cascade hops which are grown in the Yakima Valley, from Cloudburst Brewing Company.**

**The Northwest's warm, dry interior regions are uniquely suited to producing full-bodied, balanced wines and the local area is home to 500+ wineries. While we focus on Northwest growing regions, you will see some favorites from around the world. Don't see something you like on our wine list? Allow our team to assist with selecting the perfect wine pairings for your event.**

**We have partnered with many local distilleries as curators of bitters and produce growers to create from-scratch cocktails that highlight the Northwest experience. Try our spiced coffee old fashioned- made with local cold brew and bourbon!**

**Our mixologists can create the perfect signature cocktail to serve at your event. Whether you are looking to highlight the Northwest experience or your personal preferences, the craft cocktails served will be a perfect reflection of your event.**
