

Sponsorship Opportunities

Your support directly contributes to the success of our show series — it's what lets us keep entry fees affordable, improve prize offerings, and strengthen community involvement in local equestrian sport. In return, your business gets visible, repeated recognition in front of an audience of riders, families, and spectators who show up for these events all season long.

Why Sponsor This Series

- Direct, repeated exposure to a loyal local audience of riders, families, and coaches — a niche group that's hard to reach through general advertising
- Recognition across four shows, not a single one-off placement, at the Season level
- Goodwill as a business that backs local youth sport, agriculture, and community events
- A low-effort way to give back — we handle the signage, the announcements, and the thank-yous
