We are sorry for any inconvenience this may have caused the constituent. We have requested her Alien file and will direct it to the proper location for card production. We are not sure what happened and why both cards were not produced. It appears that when Missouri Service Center produced Mr. Kouassi card, Ms. Koissi's file slipped through without being produced. Anyway, we will stay on top of this situation and make sure the constituent receives her card. We will let you know when the card is mailed, so they will know when to expect it in the mail. Again, we are sorry for any inconvenience this may have caused the constituent.
