

Membership Requirements

Regular Membership -

- Membership is a combination of monthly and 5-day annual rides.
 - Within a 3-year period, a person must have ridden on a total of 6 rides (5-day and monthly rides in combination)
 - 3 monthly rides
 - 2 5-day rides
 - 1 either monthly or 5-day for a total of 6
 - The lady pin is earned by a member who has attended FIVE 5-day rides. The pin may be given to the member on the 1st day of the FIFTH 5-day ride, as members do not need to meet the 4 out of 5 rides requirement.
 - Achieving membership does not automatically earn the lady pin.

Associate Membership -

- Associate membership is **NOT** a combination of monthly and 5-day rides. Associate membership is connected to the 5-day rides only.
- Once a guest has attended and met the 5-day ride requirements, the guest will be offered Associate membership and the half lady pin on the first day of the SIXTH 5-day ride the guest attends.
- To achieve Associate membership a guest must have ridden on FIVE 5-day rides. The length of time between rides is not measured, only the total number of 5-day rides is calculated.

NOTE:

- Guests who attend monthly rides and do not attend any 5-day rides will continue as guests and need to be sponsored.
- On behalf of a guest with membership questions, the responsibility for gathering information would be the responsibility of the guest's sponsor. Guests should NOT reach out to Board members directly.
