

Overview & Transcript

LeAnn Hilton cannot afford a lawyer to defend her in this fraud case, so she is acting as her own attorney. Because the Judge wasn't giving her the rulings she wanted in court, crybaby narcissist LeAnn thought the Judge in her case was prejudiced against her.

After a long-winded psychotic rant where LeAnn accused the Judge of being unethical, dishonest, and engaging in illegal behavior, the hearing had reached its end, and the Judge adjourned Court for the day.

Always the victim, LeAnn was furious and unable to wait until she had driven home to type on a computer; so she sat in the Court lobby, with a notebook and hand scribbled a motion to have the Judge recuse herself off the case. Due to the illegible nature of LeAnn's poor handwriting, a typed copy of the filing is attached below.

Hale v. Hilton

2-12-24

Motion Seeking Recusal

LeAnn Hilton requests Honorable Maya Guerra Gamble be recused due to bias, conflict of interest, considering other facts outside of this cause, and ex-parte communications.

LeAnn Hilton does not believe Honorable Maya Guerra Gamble is able to be impartial or nonprejudiced to this party. Honorable Gamble has made statements biased against self-represented parties and has advised LeAnn Hilton "When you come into this court you will find it will not go well for you or in your favor". Further, Honorable Gamble stated she would ensure Hilton cannot talk and Honorable Gamble has acknowledged ex-parte communications.

Honorable Gamble does not appear to be able to be impartial and allow LeAnn Hilton a fair opportunity so justice may be done.

Respectfully,

/s/LeAnn Hilton
