In this file, LeAnn has been blocked by a woman, so she looked up her underage daughter's phone number and starts talking trash to the daughter about her mother. This is next level diabolical and "single white female". You need an exorcism, you demonic psychopath.

could respond to your harassment with ruining your life with all the factual dirt there is on you two. Back off, move on, go take care of your family. You tried to hurt me before and ruined your own life. You didn't listen and back off the first time and ended up destitute trying to sell what little worthless personal items you had trying to make the rent. I

other pathetic little twits that are also obsessed with me but aren't you 50 years old? Isn't it high time you put some kind of emphasis on what you're actually going to do with that train wreck piece of shit life you have? Focus on your failing family, unstable household, and the fact that you can't keep a job — rather than spending all of

your time obsessing over somebody that could care less about you. I've ignored you for quite a long time, but you keep advancing in my direction, harassing me, trying to cause problems for me I promise you will feel the effects of your harassment. I would hate for Tim to be out of a job AGAIN or the myriad of other things any reasonable person
