REQUEST:

The Department is requesting a hearing for the Respondent Mother, LeAnn Hilton, and Respondent Father, Sherwin Faridifar, to show cause why they should not be ordered to participate in services. The children are not in a Parental Child Safety Placement.

BASIS FOR REQUEST:

On April 16, 2026, the Department received a report alleging neglectful supervision of [REDACTED] by their mother, Leann Hilton. The referral stated that Ms. Leann Hilton drinks excessively on a regular basis and uses pills and will leave the younger children in care of [REDACTED] is expected to dress, feed, care for, and get the children to sleep. The referral stated that Ms. Leann Hilton drives the children around when Ms. Leann Hilton is intoxicated and will yell and hit [REDACTED] asks Ms. Hilton to pull over or let them get out of the car.

During the investigation, Ms. Hilton and Mr. Faridifar both initially denied the Department permission to interview the children. An Aid to Investigate Court Order was granted to the Department for the children to be interviewed and for a home assessment to be completed. The Department was unable to complete a home assessment. Ms. Hilton and Mr. Faridifar refused to complete individual interviews with the Department in person. Both Ms. Hilton and Mr. Faridifar spoke with me about the allegations of the intake by telephone. During the phone interviews with Ms. Hilton, she would not allow a physical visit to her home as well as she would not agree to submitting an alcohol test for the Department. Mr. Faridifar expressed his awareness of [REDACTED]'s concern for excessive alcohol use by Ms. Hilton as well as the concerns that Ms. Hilton's oldest daughter, who resides in his home, has expressed throughout the years about her alcohol use. The Department is requesting Ms. Hilton and Mr. Faridifar be ordered to participate in court-ordered services as to [REDACTED] to ensure they are receiving the services needed and for the parents continue to address concerns of excessive alcohol use.

CURRENT INVESTIGATION:

On April 16, 2026, the Department received the above referral.

On April 17, 2026, Investigator Karen Johnson made an unannounced visit to [REDACTED] [REDACTED] During the attempt to interview [REDACTED] her mother, Ms. Leann Hilton, arrived at the school with [REDACTED]'s younger sister, [REDACTED] and when

Investigator Karen Johnson attempted to introduce herself, Ms. Leann Hilton became upset and refused to allow her to speak with [REDACTED]. Ms. Leann Hilton stated Investigator Karen Johnson would need a court order to see and speak to the children. While at school, Investigator Karen Johnson observed both [REDACTED]. Both children appeared appropriately dressed and groomed and did not appear to have visible marks. Both children stood there in silence during the conversation.

On this same day, Investigator Karen Johnson made a telephone call to Mr. Sherwin Faridifar, father of [REDACTED], and explained her role with the Department. Mr. Faridifar requested for the Department present a court order.

On April 20, 2026, Investigator Karen Johnson made a telephone call to Carrie Hedinger, the school counselor at [REDACTED]. Ms. Hedinger stated [REDACTED] reported to her that her mother, Leann Hilton, drives the car around with her and her siblings in it while Ms. Leann Hilton is intoxicated. Ms. Hedinger stated that [REDACTED] reported to her that [REDACTED] has tried to have Ms. Leann Hilton pull over but Ms. Leann Hilton will yell and hit [REDACTED]. Ms. Hedinger stated that [REDACTED] told her that her dad, Mr. Sherwin Faridifar, knows that Ms. Leann Hilton is driving around with her and her sisters in the car while her mom is intoxicated but her dad is afraid of her mom and does not do anything. Ms. Hedinger stated [REDACTED] said that Ms. Leann Hilton moved at the beginning of the school year and told [REDACTED] not to give out her new address.

An involvement check with Austin Police Department was requested but no history within the past three months was found for the family.

On April 29, 2026, I contacted Ms. LeAnn Hilton, mother, by telephone to notify her of the granted court order for the child interviews to take place. [REDACTED] reported staying home in the care of her sister [REDACTED] twice a week when her mother picks up her younger sister from school no longer for no longer than one hour.

On the same day, I interviewed [REDACTED] with Ms. LeAnn Hilton present. [REDACTED] was able to distinguish between the truth and a lie. K [REDACTED] promised to tell the truth during the interview. Ms. Hilton then responded to [REDACTED] to tell me what kind of food she has while in the home. Ms. Hilton reported K [REDACTED] will usually grab herself an apple or something during that time. K [REDACTED] reported she grabs the food her mom tells her not to grab during those times. K [REDACTED] reported her mom spansks her when she gets in trouble. She described spanking as her mom closing her door.

On the same day, Investigator Zayra Jimenez met with [REDACTED] distinguished between the truth and a lie. [REDACTED] promised to tell the truth during the interview process. [REDACTED] reported that her mom tells her to take care of her sister, K [REDACTED], all the time causing [REDACTED]'s first instinct to come to [REDACTED] when she needs anything. [REDACTED] reported that she has seen her mom "down" bottles of alcohol at the time and pass out. [REDACTED] reported her mom used to leave the children unattended to get alcohol from the store. [REDACTED] reported her mom has put her in the position to babysit K [REDACTED]

On May 12, 2026, I staffed with Program Director Tasha Patschke and Program Administrator Angela Peoples and requested to file for court ordered services.
