Wave Armor PWC Ports are virtually the only unsinkable drive-on/roll-off PWC docking systems available on the market!

---

The Wave Port SLX6 PWC (Personal Watercraft) port is designed to integrate with our Wave Dock Floating Dock System and can also be installed as a stand alone system or connect together to other floating dock brands and structures. SLX personal watercraft ports are available in two widths to meet the specific needs of both waterfront home owners and marinas.
