

President's Message

Hi Everyone!

I must say the 2019 NCARCA Training Conference was great. We saw our largest number EVER! Thank you for all you do to make it a great event for our state and all those involved in this field.

It is with much regret that we have decided to cancel our 2020 Training Conference this year. Due to the Covid 19 restrictions and budget cuts that many of our counties are facing, we now join the long list of cancelled in-person events.

I would like to say that everyone in the Animal Services Field has stepped up to the plate and has made the necessary changes to continue with adopting, field work, and spay/neuter. I would like to especially encourage you to stay vigilant in your spay/neuter work. It is one of the most important aspects of our career. With financial cut backs, it's easy to let that fall to the side.

Remember that this too will pass and we will get back to normal or at least a new normal. I have confidence that each one of you will prevail. We look forward to our 2021 Training Conference and seeing you there.

As an added note, our web page has been down for repair but will be up again soon.

God bless you all and stay safe!

*Jr Simmons, President NCARCA
Wilkes County Animal Services*
