

# Handling Wildlife Issues

For Animal Control Operators

**Nov. 5, 2020**

**10 am – 3 pm**

This free, virtual training will teach where animal control operators fit in when it comes to wildlife-related requests from the public. Learn relevant laws and regulations, lines of jurisdiction, available resources, and appropriate response for a variety of species-specific issues, including rabies. This webinar counts for CECs through NCARCA and is limited to the first 100 registrants.
