Islebrook at Meadow Woods HOA currently has a quarterly assessment of \$132.25 for the 2024 Budget Year. Payments are due on the 1st of January, April, July, and October.

Payments received after the 10th of the month will be assessed a \$10.00 late fee (Jan.-Dec.). Also, if there is a balance on the last day of the month, the account will accrue interest (Jan.-Dec.).

If you have any questions or concerns regarding your account balance, please contact the management office.

Tax Information

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2023, and a copy is available for your review. The Statement of Cash Flow for 2023 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at info@dwdpm.com to make your request.

No Parking on the Grass or Easement

It has come to the Board's attention that there are residents parking nightly on the easement and the yards of homes. **Please be aware that parking on the grass and the easement is NOT permitted.** All cars must be parked in garages and on driveways. Thank you for your cooperation in this matter.

Reporting Street Light Outages

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>. Please contact the management office if you need assistance or if you have any questions.

Please Drive Safely

It has been observed that some of the residents and many visitors are driving way too fast in the community. **Please follow the posted speed limits within the community.** Please be aware that residents have expressed their concern for the speeding because many children play outside in the neighborhood. We are all concerned about the safety of the children and the residents of our community. Thank you for your understanding concerning these issues and **please drive safely.**

Road Parking and Issues

Parking violation of the County ordinances can be parking over sidewalks, parking in the wrong direction, parking too close to stop signs or intersections. Please be aware that the off-duty Orange County Sheriff's Deputy who patrols the neighborhood has issued and will continue to issue traffic citations to anyone in violation of County ordinances.

Also, please be advised that the Association cannot enforce parking laws. The streets within the community belong to the County and only the County can issue citations or tow vehicles from the streets within the community.

Street parking violations can be reported to Orange County Code Enforcement by calling (407) 836-3111 or 311. Or by reporting it to the Parking Enforcement by calling (407) 836-0800

If you have any questions or concerns regarding this issue, please contact the management company.

No Parking Zones Update

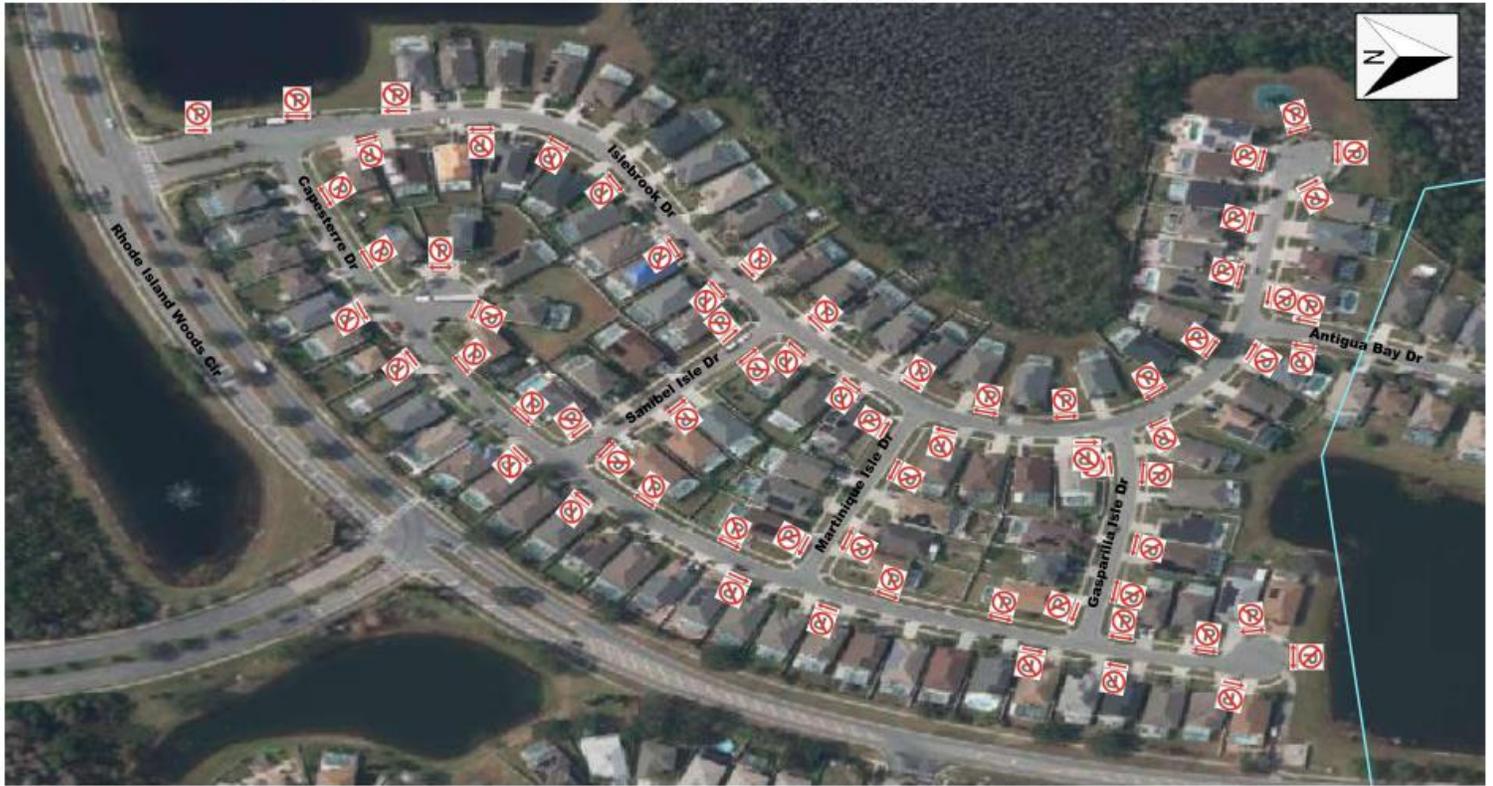

The County recently completed a road study and determined that No Parking signs are needed throughout the community in several locations to allow the safe passage of vehicles (including emergency vehicles). The County has installed the No Parking Signs throughout the neighborhood. Please be advised that the signs are being installed by the County at no cost to the Association. The roads in the community belong to the County, and only the County may enforce the parking ordinances. Therefore, they are responsible for these No Parking signs. Please be advised that you will no longer be able to park in these locations. The County may issue citations and tow vehicles parked in the No Parking zones.

Please review the maps provided below for the exact locations of these signs.

New Upgraded Owner Access Platform - Enumerate

We are pleased to announce that the owner online platform has been upgraded and we will be sending you a new registration email to the email address on file with our office by the end of next week. With your Internet-enabled device, you will be able to view your current account balance, check your payment history, view your open records (violations, work orders, and service requests), view announcements and alerts for the community, link multiple properties under the same login, and more!

To ensure your privacy, only homeowners whose email address is on file have received a registration email. If you have not provided your email, please send your information to info@dwdpm.com and include your community's name and property address within the community. Once your email address has been opted into the system, you will receive an email to register. For security purposes, a return email will be sent to confirm you are the owner of that email account. We encourage everyone to utilize the new on-line access platform in order to review your property account and obtain community information.

Garbage Cans / Curbside Collection

Please be aware that if your garbage cans are broken and you need a replacement, you need to contact the Orange County Solid Waste Department. You may reach them by email at Solid.Waste@ocfl.net or by phone at 407-836-6601.

Under the Orange County Curbside Collection program, garbage, recycling, yard waste, and bulk items are each picked up **only one time per week**. The schedule for your community is as follows:

Garbage collection – Tuesday

Yard Waste, Recycling, and Bulk Items – Wednesday

Per the documents of your community, we are asking that you please do not place your items outside your home in view from the street on days when you do not have a scheduled pick-up. Please keep them inside your garage, behind your fence, or behind your home.

The Board asks that all residents place their garbage containers out on the **road no earlier than 6 PM the night before collection, and they must be returned to their proper storage areas by 6 PM the day of collection.** Thank you for your understanding and cooperation with this matter.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is now being patrolled each week by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the residents in the Meadow Woods area. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities.

If you notice anyone suspicious within the community, it is important that you call and report the issue. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass), please call DWD Professional Management to address these concerns. Thank you.

Please Pick-up After Your Pets and Keep Pets on a Leash at All Times

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community, you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed of in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others.

If you see a dog unattended within the community, please notify **Orange County Animal Control** at the following number: 407-836-3111. Thank you for your understanding and cooperation in this matter.

Architectural Review Change Procedures

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process.

If you are going to make any changes to the exterior of your property, then you will need to fill out the Architectural Review Board (ARB) application. An application must be completed and approved by the Board of Directors before any project may begin.

These applications will always be available on your community's website and they are included in this monthly newsletter (please see below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARB remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Board (ARB). The ARB is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria. Per Florida Statutes, this process may take up to 30 days.

As soon as the Board makes a decision, we will mail you a letter of approval or denial. Please make sure you do not proceed with any improvements until you receive your letter of approval. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our office.

Inspections and Notifications

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a partial list of some of the violations that they will be on the look-out for during these inspections:

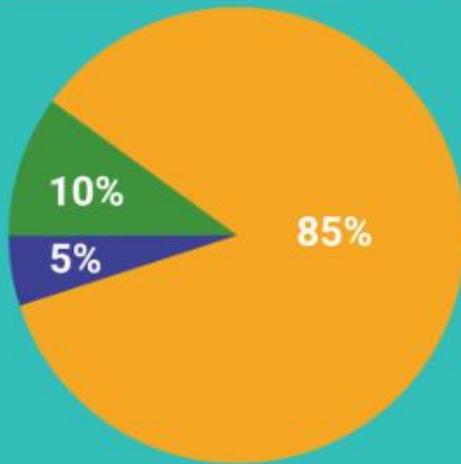

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.)
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house
- 3) Fences in need of cleaning and/or repair
- 4) Driveways that may need repairs or pressure washing
- 5) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 6) Garbage cans visible from the streets
- 7) Roofs with mold or broken/missing shingles
- 8) Parking on the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding these matters.

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
