Dear Friend:

It is my pleasure to share with you an opportunity for your organization to become a Corporate Sponsor for a truly worthy community service fundraising event – The Long Island (NY) Chapter, The Links, Incorporated's, 60th Anniversary Gala. The proceeds from this event will go towards the continued support of our community service programs and our college scholarship initiatives.

Our chapter has been serving Long Island's under-resourced communities for 60 years. We are very familiar with your long-standing commitment to working with and supporting sustainable community-based programs and services that help ameliorate some of the challenges faced by many of Long Island's underserved communities. We hope you recognize that our work aligns with your company's mission to serve and humbly request that you consider becoming a Corporate Sponsor at this event. A Corporate Sponsor is an entity that supports our community service efforts and the provision of college scholarships to talented students in need by donating select amounts. Below please find a page outlining the sponsorship levels.

The Links, Incorporated is an international, not-for-profit corporation, established in 1946.
