The registration fee and first month's tuition payment are due at the time when your child is registered for classes. Tuition payments are due on the 1st of the preceding month for the following month. Tuition will not be prorated or refunded for partial months of attendance. This policy applies even if only one class is attended during any given month. Make up classes can only be scheduled during a month for which tuition has been paid. (Make up classes will not be carried over to unpaid months in lieu of tuition.)
