August 12, 2020

Dear Parents:

We hope that you and your family remain healthy and are doing well in spite of all the challenges we have had to endure amid the Covid-19 Pandemic. As wearing masks and social distancing have become our new normal, we all long for the return of participation in positive events and activities. Although our season was abruptly cut short in mid March, we would like to say that we certainly enjoyed working with your children and look forward to doing so again in the upcoming 20-21 Season.

As we approach our 30th Gymnastics School Anniversary, we start the season with safety and social distancing procedures in place. We have stepped up our cleaning and sanitizing since reopening. We are cleaning in between sessions; using hand sanitizer stations and a disinfecting fogger machine throughout the gym each night. Six feet separation markings have also been positioned in the gym. A video of our new arrival procedures has been posted on our Facebook page. At this time, masks must be worn going into the gym and parents are being asked to refrain from coming into the gym for class observation.

Our fall classes begin on Tuesday, 9/8/20. A class schedule and a registration form are enclosed. To register, send your completed registration form and credit card information form along with payment for the registration fee and the first month's tuition. Registrations will be confirmed upon receipt. Since we will be utilizing email communications this year instead of paper flyers, we ask you to provide us with a preferred email address on your registration form.

If you have any questions or would like additional information regarding this season's programs, please feel free to contact us by email joelbabasgymnastics@gmail.com or call the gym at (215) 269-2646.

We greatly appreciate your support and look forward to seeing you soon!

The Staff of Joel Baba's Gymnastics
