

Greetings,

Allow us to introduce Cameo Courage - a nationally recognized 501(c)(3) charity dedicated to making a profound impact on children suffering in hospitals across the nation. Our mission is simple yet powerful: to infuse joy, inspiration, and hope into the lives of children battling illnesses through the creation of our Magical, Interactive "Superhero Themed" Attractions, known as Courage Corners, in children's hospitals nationwide.

These Courage attractions transcend mere physical spaces; they are havens of imagination and wonder, offering solace and courage to children, even in the face of their medical challenges. This impact extends far beyond hospital walls, bringing smiles, laughter, and hope not only to young patients but also to their families and dedicated healthcare professionals who tirelessly care for them.

To realize this vision, we need the support of individuals, organizations, and corporations like yours. Donations and sponsorships are the lifeblood of Cameo Courage, enabling us to expand our reach and bring the magic of Courage Corners to more children in need. Your contribution can significantly change lives by providing the resources necessary to create and maintain these enchanting spaces.

We invite you to explore the various ways you can support Cameo Courage, whether through donations, sponsorships, or active participation in our initiatives. Together, we can transform the lives of brave children and bring hope and inspiration to those who need it most.

Thank you for your interest in Cameo Courage. We look forward to discussing how your involvement can make a meaningful impact on the lives of these courageous children. Please feel free to contact us at info@cameocourage.org or 480.258.7012 with any inquiries or to explore potential collaborations.

With gratitude and anticipation,

Scott Fuller - President
Cameo Courage
