A welcoming community grounded in love service and shared purpose.

ABOUT: WHO WE ARE

Looking Ahead

GROWING TOGETHER AT CALVARY

Last month, we shared our commitment to improving communication, strengthening connections and creating more opportunities for engagement throughout the life of Calvary. We wanted to take a moment to provide an update and thank everyone for the encouragement, ideas and support you've shared along the way.

While much of this work continues behind the scenes, progress is being made. Efforts are underway to enhance our communication platforms, improve access to information and create new ways for members and visitors to stay connected with worship, ministries, events and one another. We are also continuing to evaluate and develop ministry opportunities that reflect the needs, gifts and interests of our congregation and community.

As we move forward, our goal remains the same: to build a welcoming, engaging and vibrant church where people can grow in faith, form meaningful connections and find opportunities to serve. New ministry initiatives remain an important part of our vision for the future. Work is underway on a new informational rack card for our upcoming Neurodivergent Ministry, which will help introduce and support this important area of ministry.

Calvary is also planning to launch a Social Justice Ministry. Recently, a small group gathered for a kick-off meeting and agreed that creating a brief statement of purpose and principles would be a valuable first step in guiding the ministry's work. Using that discussion as a foundation, Jo Ellen Parker drafted a document to help shape the ministry's vision, direction and goals as planning continues.

We know that meaningful, lasting growth takes time and we appreciate your patience as thoughtful planning and preparation continue. Every conversation, meeting and new idea helps shape the future of Calvary and ensures that what we build together will be sustainable and impactful for years to come.

Thank you for being part of this journey. We are excited about the opportunities ahead and look forward to sharing more updates in the coming months. If you have ideas, suggestions or would like to become more involved, we encourage you to reach out to the church office.

There are many exciting things ahead for Calvary and we are grateful to be growing together in faith, fellowship and service.
