

## Message from Miss Smith -

In the previous term the students participated in the SEND rewards bingo. This was a great success with many students achieving the rewards on offer due to their excellent attitude to learning, attendance and punctuality. This term, there will be the same opportunities to achieve rewards through another rewards initiative. Good luck!

## What the students are learning in

<b>English</b>	In English, we will be looking at non-fiction articles on inspirational people such as Marcus Rashford and Greta Thunberg. The students will also practice their transactional writing by writing a formal letter.
<b>Maths</b>	In maths, we will be exploring time. Students will improve their skills on telling the time and using knowledge of time to solve problems, as well as understanding how to read and use a calendar. Students will also be recognising, describing, and making 3-D shapes.
<b>Science</b>	In this half term, students will be learning about particle theory, chemical reactions, and separating technique
<b>Computer Science</b>	In computer science, students will be doing some work on flat-file databases and introducing vector graphics
<b>History</b>	Students will be exploring Mughal India in the 16 <sup>th</sup> and 17 <sup>th</sup> century. They will be developing an understanding of life and the impact of the emperors using stories and evidence
<b>RE</b>	This half term, students will be learning all about religious festivals.
<b>Drama</b>	Students will continue to participate in workshop style lessons which look at developing speaking, listening and communication skills.
<b>Life skills</b>	In life skills, students will be developing their independent living skills.
<b>P. E</b>	In PE, we will be learning and developing skills in Netball.
<b>Art</b>	Students will be learning about artists involved in the Pop Art era.

## Upcoming Events

Students are issues with reading books to share at home each week.  
 Students should try to read for 20 minutes each night.  
 Students should practice their IDL literacy and online mathspad at home.

## Homework Expectations
