

# Year 7 - Geography

## 1. Personal Geography:

How does Geography shape Warrington?

## 2. Is Europe a risky place to live?

Tectonic hazards

## 3. Is Europe a risky place to live?

Extreme weather

## 5. How is Europe changing?

Europe and the EU

## 4. Is Europe a risky place to live?

Coasts – Erosion and people

Check point

Check point

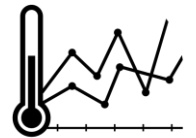

## 6. How is Europe changing?

Population and Migration

## 8. What does the future hold for the UK and Europe?

Climate change and Sea Level rise

Check point

## 7. What does the future hold for the UK and Europe?

Energy supplies  
Northern Powerhouse Urban regeneration - Warrington

# Year 8 - Geography

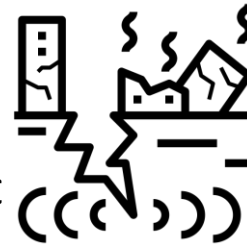

## 1. Where is Asia and what is it like?

Region study and map skills

## 2. What are the physical challenges Asia faces?

Tectonic hazards in HIC/LIC

## 3. What are the physical challenges Asia faces?

Environmental issues –  
Plastic/Climate change/  
Coral reefs

## 5. How quickly is Asia developing?

Measuring development – Indicators/  
Economic Activity / MNC's /  
Globalisation

## 4. What are the physical challenges Asia faces?

Tropical storms – Impacts  
in HIC/LIC

Check  
point

Check  
point

## 7. How is Asia exploiting its natural resources?

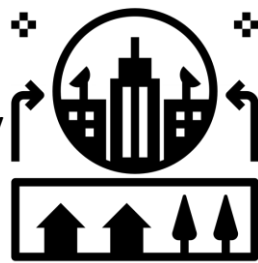

Water resources  
Tropical Rainforests and their uses – Palm  
oil in Malaysia

Check  
point

## 6. How quickly is Asia developing?

Urbanisation  
Population structures: One Child Policy  
and changes

# Year 9 - Geography

## 1. What is Africa really like?

Landscape, biomes and climate

## 2. How is the population of Africa changing?

Population structures and migration patterns

## 4. Can we close Africa's development gap?

Globalisation and Trade

## 3. Can we close Africa's development gap?

Poverty/Equality and Disease

Check point

Check point

## 5. Can we close Africa's development gap?

Aid and investment

## 7. What are the challenges and opportunities in Africa?

Rivers and Rainforests

Check point

## 6. What are the challenges and opportunities in Africa?

Life in the Sahel and Tropical storms

# KS4- Geography
