

Music at Padgate

2021-2022

Creativity and confidence

How have I developed this year and what skills have I developed to take with me to study music at Year 8?

Samba Drumming

Exploring world cultures through using samba drums to compose and perform.

Live Lounge

Using ensemble skills to get into smaller groups and learn a song using multiple instruments. Performing for each other.

Ensemble Performance

Learning about what it takes to work with others to perform music to an audience. Group work skills and creative thinking.

Just Play

Developing ensemble skills to put together a class 'band' performance of a popular song. Expanding instrumental technique.

Ukulele Performance

Learning ukulele technique as well as learning about chords, riffs and pop music.

Performance techniques

What makes a good performance and how can we do this in front of an audience on an instrument (keyboard)?

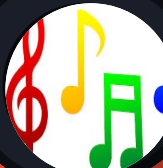

Keyboard performance

Taking pride in a performance and learning basic skills on a keyboard.

Rhythm and pitch notation

Exploring pitch and rhythm notation on the treble clef and the basics of how to read notated music.

Introduction

Starting to listen to and analyse music as well as an introduction to the basics of rhythm and melody. Baseline tests.

Year 7 Learning journey
