Summer Term 2025

KEY MESSAGES THIS TERM

As we head into the summer term, we celebrate the many opportunities our students have to grow beyond the classroom. From exciting trips and enrichment activities to memorable events, this term is all about building character, confidence, and community. Our students continue to live out Padgate Academy's core values in everything they do. See the diagram opposite to learn how we support every student's personal development journey.

PRIDE LESSONS THIS TERM

YEAR 7

Term 3: Students will learn about staying safe in the community and online. They will also develop their knowledge on character education, reflecting on their own character traits.

Term 4: Students will explore finance and the economy, how to budget and save money in the future.

YEAR 8

Term 3: In Year 8, students will focus on personal safety, including smoking, vaping and knife crime and responding to an emergency.

Term 4: Students will learn about citizenship, focusing on law, crime and the criminal justice system.

YEAR 9

Term 3 and Term 4: Students will explore a wide range of future pathways, focusing on careers and post-16 options. They will engage with external speakers from colleges and training providers, gaining valuable insights into vocational courses.

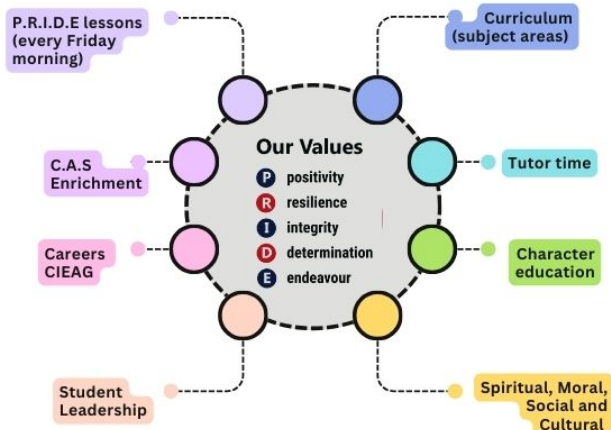

YEAR 10

Term 3: Students will explore the topic of discrimination across various religions, focusing on protected characteristics and how different faiths address these issues.

Term 4: Students will delve into the complexities of intimate relationships, including consent, the dynamics of intimate sexual relationships, and the emotional aspects of relationships.

YEAR 11

Term 3: Students will complete their PRIDE lessons this term by concluding their learning on managing mental wellbeing. Following this, they will focus their time on revision and preparation for their upcoming GCSE exams.
