Dear Parents and Carers

As we come to the end of another term I would like to thank you all for your support over what has been quite an unconventional year so far. Year 7 students have been a credit to you and themselves, consistently demonstrating our key values of trust, teamwork and tenacity, and for that I am incredibly proud of them.

When we return after the Easter break, I will be stepping back from Head of Year 7 to focus on transition. I will be entrusting the students in the very capable hands of Mrs Mills who has written to introduce herself below. Myself and Mrs Mills have been working hard to ensure that she is fully aware of everything she needs to know and I have every faith the students will continue to flourish under her guidance.

Message from Mrs Mills

I would like to take this opportunity to introduce myself as the new Pastoral Leader for Year 7. I have worked at Padgate Academy for two years and I am fully aware of what a fantastic group of young people I have inherited. I am thoroughly excited to start working with them.

I am very conscious that the role of Pastoral Leader is a huge responsibility and I want to reassure you that I am willing to go above and beyond expectations to ensure your child enjoys their time at Padgate Academy and that they are hugely successful.

My main priority as a Pastoral Leader is for all students to make progress and strive to work hard to ensure they meet (and hopefully exceed) their targets. In order for that to happen, I recognise that there are lots of elements that have to be right; your child is therefore in the best place to learn effectively. It is because of this that I have very high standards in regards to behaviour, attendance, punctuality, attitude to learning and uniform. I hope you will support me in helping your child meet the high expectations of our Academy.

If you have any concerns or questions, please do not hesitate to contact me via our main reception. Thank you in advance for your support over the next few years.
