

29th April 2021

Dear Parent/Carer

CAS (Creativity, Activity and Society) enrichment offer

We are pleased to be able to share with you our plans to resume the Padgate Academy **CAS** enrichment programme during this summer term.

Our students deserve the best and we know that they thrive on inspiring experiences that go beyond the classroom. Our dedicated staff will be providing a range of enrichment activities for students that are based on three core strands of **Creativity, Activity and Society (CAS)** and all the activities have been designed with this in mind.

All of our students will have the opportunity to opt into any of the lunchtime or after school activities that maybe of interested to them. Currently we will be offering this within separate year groups until we are able to merge and work across year group bubbles.

The Year 11 CAS enrichment offer for this term is outlined below.

Year 11	Lunch activities	Afterschool activities
Mon		Football Club
Thurs	Careers Club	

If you have any questions or require further information regarding the CAS enrichment programme you can contact Mrs A Mitchell amitchell@padgateacademy.co.uk, Mr C Johnson cjohnosn@padgateacademy.co.uk or your Pastoral Leader Mrs Mills kmills@padgateacademy.co.uk

We hope that by taking part in our CAS enrichment offer we will not only support students wellbeing but, also develop student's resilience and confidence, whilst embracing our core values of Teamwork, Tenacity and Trust.

Yours faithfully

Mrs A L Mitchell

Mr C J Johnson
