

Art at Padgate

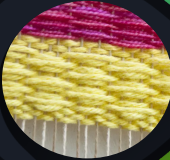

What do I know?

A practical and theory test will allow you to demonstrate your learning before you move into Year 8 to expand and enrich your Art knowledge further.

Weaving

How can your knowledge of colour inspire your own practical textile outcome.

Critical thinking

Forming your own opinion on your own and others work. Sharing your views through discussion, debate or questions and answers.

Textile

What do you know about the textile industry? Look at how the cotton mills of the North West shaped the area you live in today.

Van Gogh

Learn how Vincent Van Gogh developed his impasto painting, explore how his emotions affected his artwork, and what made him so famous?

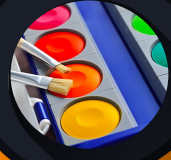

Pointillism

Refine your painting skills by learning how to paint like the great master George Seurat.

Media

Develop your practical skills by using a range of media. Pencil, pens, coloured pencils and water colour paints.

Kandinsky

Learn about the artist Wassily Kandinsky and how his abstract art can influence and inspire your own creative responses.

Colour

Explore, experiment and learn about how the colour wheel will form the basis of your colour knowledge.

Baseline test

Mark making, formal elements and recording are fundamental to any artists learning journey. You will build on your knowledge and skills from previous years.

Year 7 Learning journey
