

Art at Padgate

What do I know?

A practical and theory test will allow you to demonstrate your learning before you move into Year 10 to embark on your Art and design GCSE.

Mini GCSE option

Take on the role of a GCSE artist and select from one of three starting points to explore and present your own creative journey.

Pop Art

Learn about the pioneers of Pop art in America and the United Kingdom. Explore the great Pop Artists to inspire your own ideas.

Cultural celebrations

Looking at Dia de los Muertos and how these traditions use art in their cultural celebrations.

Human Form

Practice your recording skills and understand how proportion plays an important part in developing accurate human form.

Year 9 Learning journey

Critical thinking

Forming your own opinion on your own and others work. Sharing your views through discussion, debate or questions and answers.

Still life

Using your recording skills to create a modern take on a still life using Pop Art features.

Media

Experiment with a range of appropriate media throughout the year; Pencil, paint, ink, chalk and oils.

Da Vinci

Explore and learn about Leonardo da Vinci. How his pioneering take on the world influenced so many aspects of art.

Baseline test

Formal elements and recording are fundamental to any artists learning journey. You will build on your knowledge and skills from previous years.
