

1

TEST

You need to use your home test kit to conduct your test every **Sunday** and **Thursday** evening.

Use the information in the step-by-step guide shown to the left.

Make sure you are using the correct guide as shown here.

Some students may require adult assistance.

3

LOG YOUR RESULT WITH US

IMPORTANT: Padgate Academy don't see your results from NHS so you also need to let us know your test result.

You need to complete our quick and simple form to tell us your result.

Visit the website <https://bit.ly/2NMfv1n> or scan the QR code to access our form.

2

REPORT YOUR RESULTS TO NHS

When you have completed your test, you need to let the NHS know your result.

It's really easy, just visit their website <https://www.gov.uk/report-covid19-result> or scan the QR code to the right to get started.

You will need the barcode or ID number on the test and your email address / mobile number for the result to be sent to you.

Report a COVID-19 test result

Use this service to report your result to the NHS after using a coronavirus (COVID-19) lateral flow test kit.

A lateral flow test is a coronavirus test you do yourself. It shows you the result on a handheld device that comes with the test.

Report the result:

- every time you use a lateral flow test kit
- as soon as possible after you get the result

You cannot report a result after more than 24 hours.

WHAT NEXT?

If the your test is negative...

You can come in to the academy as normal.

If your test is positive...

1. Stay calm! A positive test may not necessarily mean you are positive for COVID-19. **Log your results, as per step 2 and 3.**
2. Inform the Academy as soon as possible **by telephone.**
3. **DO NOT** attend the Academy and **immediately self-isolate**, in line with government guidance
4. Book a **PCR test** via the NHS website (<https://www.gov.uk/get-coronavirus-test>) or by calling 119.
