

Summer school funding report

Summer school spending: summary

SUMMARY INFORMATION			
Total number of pupils offered place:	120	Amount received per pupil per day:	£59.70
Total number of pupils accepted place	72	Total catch-up premium budget:	£21,492

STRATEGY STATEMENT

At the heart of our vision it is to do whatever it takes to provide our students with a first-class education. The pandemic has provided a need for us to think creatively and utilise the Government's summer school fund to ensure our students are not disproportionately disadvantaged on their arrival to secondary school.

Our summer school spending plan outlines how we supports students to prepare for a secondary education. The summer school will provide a balance of academic and wellbeing activities to address some of the gaps created in the pandemic. All academic session will have a primary focus to support and improve students' levels of literacy, numeracy and reading ability.

Barriers to learning

BARRIERS TO FUTURE ATTAINMENT

Academic barriers:

A	In-school attainment gaps on entry in English and mathematics
B	Low literacy and numeracy levels on entry
C	Positive learning habits are not fully embedded, including home learning habits

ADDITIONAL BARRIERS

External barriers:

D	Attendance of disadvantaged students does not match that of other students in the school so the gap may be greater on entry. Summer school could be a vehicle for students to have a positive experience therefore more likely to attend
E	Parental support, expectations and engagement can be a barrier for students
F	Students' mental and physical health post-covid has declined.

Planned expenditure for summer school

The headings below will help you demonstrate how you plan to use the catch-up premium to improve classroom pedagogy, provide targeted support and support whole-school strategies.

- [DfE's catch-up premium guidance](#)

[EEF's COVID-19 support guide for schools](#)

Quality of teaching for all						
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?	Cost
Staffing (including planning time for summer school lead)	<p>Students experience a 'normal' lesson</p> <p>Students exposed to a broad curriculum offer with literacy and numeracy at its core</p> <p>Improved attainment</p>	EEF Summer school guidance	<ul style="list-style-type: none"> • Staff produce a session overview detailing the objectives and outcomes • Groupings are smaller so staff can have more time to support students • Timetable is a balance of curriculum subjects with and ebacc focus (English, Mathematics, humanities, MFL and humanities) 	Summer school lead	July	10960

Warrington museum	Enrichment of the summer school curriculum	EEF Summer school guidance	<ul style="list-style-type: none"> Pre-meeting with staff prior to event to ensure that curriculum content is followed 	Summer school lead	July	£450
Rewards	Encouraging good attendance to prevent gap on entry from widening	EEF's COVID-19 support guide for schools EEF Summer school guidance	Daily monitoring of student attendance. Summer school lead to contact daily absentees	Summer school lead	During summer school Attendance analysis at end of event	£100
Total budgeted cost:						£10,510
Other approaches						
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?	
Resources (stationary/calculators and art materials)	Ensure that disadvantaged students have the resources that they need to access learning	EEF's COVID-19 support guide for schools	Staff to indicate need as part of lesson planning	Summer school lead	July	£1000

Access to technology	Students are engaged in the curriculum	EEF: <i>Studies consistently find that digital technology is associated with moderate learning gains: on average, an additional four months' progress</i>	Review session objectives to ensure that there is a planned opportunity for Student Use of IT	Summer school lead	July	£5264
Celebration event	Positive event to bring links between families and the Academy	EEF: <i>Summer schools may also include other enrichment and engagement activities such as arts and sports activities or educational visits. These can be an important component for maintaining engagement in an academically targeted summer school or an important activity in and of themselves, if the summer school has broader goals.</i>	Careful planning of event and marketing to encourage parental attendance.	Summer school lead	July	£505
Food for PP students	Ensuring pupils healthy and well	PP/FSM students and families are supported by providing food	School food guidance is followed	Summer school lead	July	£250
Other	Non-educational costs	Physical cost to Academy of running summer school. Includes utilities and enhanced cleaning	N/A	N/A	NA	£2930
Total budgeted cost:						£10,949
