14th March 2019

Dear Parent and Carer

As you know we are rapidly approaching the formal GCSE examination season. As part of our continued work and support for Year 11 we will be conducting a further series of assessments in English, Mathematics and Science.

I know that the students are working hard already and this can be a stressful time in the lead up to the formal examinations. Please reassure your son/daughter that the assessments are aimed at gathering information on gaps in their knowledge and to provide further practice in completing them in a similar style to the formal examinations. Year 11 have been completing work in class for these assessments to support students in being successful. However, as always any further support you can provide at home with additional revision will help us with our continued efforts to work together in the best interest of Year 11.

A copy of each student's assessment schedule has been provided to them for you to display in a prominent place at home to refer to.

If you have any further questions please do not hesitate to contact myself via telephone on 01925 822632 or at info@padgateacademy.co.uk

Thank you for your continued support

Yours sincerely

Mr M Taylor
Head of Learning Year 11
