Company Overview

Metro Elite Contracting (MEC) is a minority-owned, commercial construction company headquartered in Farmington Hills, MI. Specializing in successful delivery of construction projects from inception to final completion. We manage the full lifecycle of construction projects by providing a team of skilled construction professionals to meet our clients needs and expectations. The MEC team has managed over \$1B in construction projects over our combined 35-years in the construction industry. We are experienced in managing Commercial, Retail, Government, K-12 Schools, Healthcare, Wastewater Treatment, Industrial, Sustainability and Design/Build construction projects.
