

## GDC Birthday Parties!

Our birthday parties are 1 1/2 hours for ages 4+. We spend the majority of the time dancing, and save a little time at the end of the party for cupcakes and presents. The birthday child gets to put their handprint on our hallway wall! The cost for the party is \$250. You may have up to 18 guests, including the birthday child. Parents bring goody bags, juice boxes or small waters, and cupcakes the day of the party. We take care of the rest! You do not have to be a current GDC dancer to have your birthday party at the studio. :)

Email our Director, Shari Boyaji, for more information  
and to book your birthday party:
