Owner shall comply with all regulations relating to 100 year flood plains, if any, contained within easements shown on the plat of record in the Subdivision.

REQUIREMENTS ON PLAT

All other requirements, restrictions and prohibitions contained on the plat of the Subdivision are incorporated herein by reference.

v.

3-09-9977

TERM

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2013, at which time said covenants shall be automatically extended for successive periods of ten years each, unless by a vote of a majority of the then owners of the lots encumbered by this Declaration, it is agreed to change said Declaration in whole or in part.

Any such instrument of amendment or termination must be executed and acknowledged by fifty-one percent (51%) of the then owners of lots encumbered by this Declaration and filed of record in the Deed Records of Travis County, Texas. The instrument of amendment or termination shall be effective to amend or terminate this Declaration at the expiration of the initial term if such instrument is filed of record as set forth above during the initial term hereof; or if such instrument is filed of record as set forth above during any 10 year period of extension, this Declaration shall be amended or terminated (as the case may be) at the end of such 10 year period of extension. Notwithstanding anything contained herein to the contrary, the Developer, its successors or assigns, may amend these covenants at any time, or from time to time, in order to correct any typographical errors or other errors or omissions in form which, in the discretion of the Developer, its successors or assigns, may require amendment in order to properly reflect the intent hereof. Such amendments to correct typographical or other errors shall be effective on the date that such an amendment is filed of record in the Deed Records of Travis County, Texas, by the Developer, its successors or assigns.

VI.

ENFORCEMENT

If the owner of any lot, or his heirs, executors, administrators, successors, assigns, or tenants shall violate or attempt to violate any of the covenants set forth in this

3-09-9978

Declaration, it shall be lawful for any person or persons owning any lot encumbered by this Declaration, or Developer to prosecute any proceedings against the person or persons violating or attempting to violate any such covenants. The failure of the owner or tenant to perform his obligations hereunder would result in irreparable damage to the Developer and other owners of lots in the Subdivision, thus the breach of any provision of this Declaration may not only give rise to an action for damages at law, but also may be enjoined by an action for specific performance in equity in any court of competent jurisdiction. Such action may be brought against any person, firm or corporation violating or apparently about to violate any of these covenants, either before such violation occurs or within a reasonable time thereafter, for an appropriate order or injunction of either a restraining or mandatory nature or both and of either a temporary or permanent nature or both, including, but not limited to one restraining construction of any improvements commenced, or about to be commenced, without the prior written approval of the Committee or for the removal of any improvement constructed without the prior written approval of the Committee. In the event enforcement actions are instituted and the party bringing such action is successful in obtaining any relief, then in addition to the remedies specified above, the party or parties against whom such relief was granted shall pay to the enforcing party costs and reasonable attorney's fees in such amount as the court may determine.

VII.

SEVERANCE

In the event any of the foregoing covenants, conditions, restrictions, reservations or charges is held invalid or unenforceable by a court of competent jurisdiction, it shall not affect the validity and enforceability of the other covenants, conditions, restrictions, reservations, or charges. If one of the

3-09-9979

foregoing is subject to more than one interpretation, the interpretation which more clearly reflects the intent hereof shall be enforced.

XIII.

NUMBER AND GENDER

The singular shall be treated as the plural and vice versa if such treatment is necessary to interpret this Declaration. Likewise, if either the feminine, masculine, or neuter gender should be any of the other genders, it shall be so treated.

IX.

ASSIGNMENT

Developer shall be entitled to assign its interests and rights under this Declaration of Restrictions to any owner in fee simple of a lot in the Subdivision.
