3 TANGLEWOOD FOREST BOARD SEATS TO BE FILLED IN UPCOMING ELECTION

In the upcoming November election, residents of TFLD will need to vote and fill 3 board seats.

Members of our board manage how tax dollars are spent in our limited district on amenities, parks and communication. Last year's budget was \$887,000. Having civic minded individuals on our board is critical for all residents within our district boundaries.

Residents interested in running for a board seat may download the application beginning July 20 from our district website:
TanglewoodForestLimitedDistrict.com

Application deadline is August 19.
