- Fast growing species packet:** This will consist of five species including hybrid poplar, hybrid willow, norway spruce, ninebark, and silver maple. All will be a minimum of 1-2'. The packet will consist of ten (10) pieces (two of each species).
- Bird and butterfly packet:** This will consist of five species including butterfly bush, trumpet vine, lilac, rose of sharon and hibiscus moscheutos. The packet will consist of ten (10) pieces (two of each species).

NOTE: OUR HARVESTING SCHEDULE IS DEPENDENT ON HAVING FINAL NUMBERS IN EACH SPECIES BY SEPTEMBER 21 IN THE FALL AND MARCH 15 IN THE SPRING.

Additional information on product description is available on our website. You can also see various pictures of the species we offer, download price lists, order forms, and our current nursery license.

Minimum order of 100 pieces per species. 500 pieces of any species earns the 1000 rate for that species. Minimum shipping charge of \$45.00 per package. Quotes for skids on freight trucks are available when it may be cheaper to ship. Customer pick up can always be scheduled. 25% deposit is required to reserve stock and is non refundable if order is cancelled after March 15 for spring delivery and September 1 for fall delivery. Spring shipment occurs usually from late March through April. Fall shipment occurs in late September through November. We reserve the right to cancel orders or to fill them with the best available stock if the particular size class requested is not available. All shipments are at buyers own risk. Our liability ceases upon delivery to the carrier. Claims for deduction or error must be made within 5 days of receipt of shipment. Any additions less than 100 pieces within 1 week of pick up date will incur a \$25 fulfillment charge.
