

Bay Harbor Lake Marina

Your dock away from home!

In the heart of Lake Michigan's "Gold Coast" lies a brand new haven known as Bay Harbor Lake. The 90-acre lake, accessed directly through Little Traverse Bay, is home to the exciting Bay Harbor Lake Marina.

While most Great Lakes marinas are designed only for boats up to 50 feet in length, Bay Harbor can accommodate the specialized needs of yachts up to 200 feet. Each slip has its own pump-out, telephone, water, 30 amp/125 volt or 50 amp/240 volt electric hookup — plus 150-channel fiber-optic television connections.

Without a doubt, Bay Harbor Lake Marina is one of the most breathtaking places in Michigan to dock your boat. We've installed a state-of-the-art floating dock system in the harbor that is almost completely sheltered, so your craft will be protected from the wind and waves.

The marina also offers 24-hour security and in-the-water boat servicing. There's a ship's store, concession

stand and picnic area, shower facilities and laundry and dry cleaning services. We also provide shuttle service to Petoskey, where you can enjoy shopping and fine dining.

Bay Harbor Lake Marina is just one piece of the 1,100-acre Bay Harbor community. The community also will feature 400 luxury homes, a luxury hotel/condominium, a yacht club, a world-class, 27-hole championship golf course and a village featuring first-class, high-end restaurants and shops built in the historic Northern Michigan Victorian style.

Bay Harbor Lake Marina invites you to dock at the marina for the day, enjoy lunch, play golf and tour what is soon to become an exclusive yachting community.

For information, contact Bay Harbor at 616-439-2500 or fax 616-439-2020; 850 Vista Drive, Bay Harbor, Michigan 49770. Visit us on the World Wide Web at <http://www.bayharbor.com>.
