Bachelor of Science in Nursing (RN to BSN)

Advance Your Nursing Career With a Flexible, Affordable BSN

Position yourself for the future with a Bachelor of Science in Nursing (BSN) from the UNH College of Professional Studies. In two years or less, you can expand your skills, job opportunities, and earning potential.

As health care grows more complex, many employers actively seek to hire BSN nurses who are valued for employing evidence-based practices in diverse settings. We'll prepare you with the foundational coursework in informatics, care of vulnerable populations, implications of genetics and genomics, and leadership. This flexible online program – for RNs with ASN degrees or nursing diplomas – lets you balance your life and career, while gaining a competitive advantage in the workplace.

A Seamless Transition for CCSNH Grads With the Transfer Pathways Program

UNH has partnered with the Community College System of New Hampshire (CCSNH) to ensure a smooth transition into our online RN to BSN degree through the Transfer Pathways Program.

- **Easily Transfer Credits**
Our online RN to BSN Pathway Program lets you plan what community college courses to take for a credit-efficient transfer.
- **CCSNH Grads Save on Tuition**
Earn your AS Nursing degree at a New Hampshire community college, and our CCSNH Nursing Partnership matches your community college tuition – adding up to significant savings!

Focused on Working Nurses

Our flexible program lets you learn full- or part-time, weekdays or weekends, from anywhere you can get online. Earn your BSN, while balancing family, a full-time job, and other life commitments.

Transfer Up to 90 Credits

Maximize previously earned college credit. Transfer up to 90 credits and fulfill your non-nursing requirements. You may need as few as 30 credits to earn your BSN. Most CCSNH grads take eight 8-week courses and one 16-week course to complete our BSN degree.

Affordable Tuition

UNH is a public, nonprofit university, with tuition rates among the most affordable in New Hampshire and New England.
