Master of Science in Leadership

– Aura, M.S. Leadership '20

Develop the Skills and Mindset to be a Dynamic Leader – in Any Industry!

Position yourself for career advancement with a Master of Science in Leadership from the UNH College of Professional Studies. Designed for current or emerging leaders in any field, this comprehensive program increases your value to corporations, government bodies, non-profit organizations, and more.

Demand for leaders is growing – especially those who can lead through changing and challenging times. Our program helps you develop the mindset and competencies to be an effective leader. In as few as 18 months, you can complete a life-changing journey that enhances your earning potential and supercharges your marketability.

Impactful Leaders Aren't Born. They're Made.

Learn to:

- Cultivate a strategic vision and create a roadmap for its achievement.
- Effectively communicate with employees and stakeholders at every level of an organization.
- To inspire, motivate, and mobilize diverse teams.
- Identify techniques for creating a culture that supports business strategies.
- Make informed, ethical, and evidence-based decisions.
- Manage through times of change.
