

Learn Their Language,  
**Unlock Their  
Potential.**

### That's the Power of St. Thomas.

Earn a master's degree, license or certificate in Autism Spectrum Disorders (ASD) from the University of St. Thomas in Minnesota – 100% online from your desktop, laptop, tablet or mobile device!

#### Program Offerings

- ▶ Master of Arts in Special Education with an Autism Spectrum Disorders License
- ▶ Master of Arts in Special Education with a Specialization in Autism Spectrum Disorders (Non-License)
- ▶ Special Education Teacher License in Autism Spectrum Disorders
- ▶ For-Credit Graduate Certificate in Autism Spectrum Disorders

#### Improve Learning Outcomes

Every student has potential. At the University of St. Thomas, we believe in nurturing that potential – focusing on what learners with Autism Spectrum Disorders *can* do, instead of on their weaknesses. Learn evidence-based best practices to build on each student's individual strengths so that he or she can become as independent and successful as possible.

#### Experts in the Field

Ranked a Best National University by *U.S. News & World Report*, St. Thomas has been a leader in special education for 40 years. Our expert faculty is well-versed in cross-disability issues and will help you develop the creative and critical thinking skills crucial to solving problems in this complex area of teaching.

#### Convenient, Flexible Programs!

- ▶ Professor-led streaming video lectures
- ▶ Downloadable audio and video files
- ▶ Live sessions with visual whiteboards
- ▶ Professor-hosted discussion boards
- ▶ Live chat room, email, social networking
- ▶ 24/7 technical support
- ▶ Classes start every 8 weeks
- ▶ No application fee
- ▶ Financial aid available for M.A. and license tracks
