Prices and Agreement

The application fee does not hold a place for your child. You would need to pay the weekly or monthly fee to keep a place.

All Daycare fees are based on the contract schedule you have established upon enrollment. Parents are paying the Daycare to be ready and prepared to give your child professional care five days a week or days based on the contract schedule you have set in advance of at least two weeks. If your child is not present one day, we cannot fill the spot for that day. You pay to hold your child's spot, not necessarily for using it. In college, you pay tuition based on enrollment, even though you might not attend all the classes. When you are on vacation, you still must pay your rent or a mortgage payment.

Daycare services are due on the first of each month or each week. Daycare services are always prepaid at the beginning of each week or month. If you are a week late, we will charge your account a late fee of \$25.00. Each week your account is not paid, there will be an additional late fee of \$25.00. Payments will apply to the late fee first and then your balance. If your account is two weeks behind, your child will be withdrawn from Daycare and will no longer be able to attend. Immediately we will send your account to collections. You will be unable to make payments to Oasis Daycare.

We accept ICCP. If we accept your child before approval of ICCP you are consider private pay and are responsible for all cost until ICCP gives written approval. Co-payments must be paid at the beginning of each month as stated above.

Application Fee for Preschool and Daycare

There is a non-refundable \$75 Application fee to be paid at the time of contract signing. You will need to pay the yearly supply fee of \$50.00

Children should bring a blanket from home for when they rest daily. The blanket will be sent home weekly to be washed.
