

On1 Ringside Welcomes BoxMed as Official Sponsor

Austin, TX

The On1 Ringside Program, a global platform dedicated to fan engagement and athlete support, proudly welcomes **BoxMed** as an Official Sponsor. Led by President Dr. Andrew Kluger, BoxMed is internationally recognized for its expertise in ringside medical care, athlete wellness, and global collaboration. With over two decades of experience, BoxMed has supported fighters at every level, from community gyms to world championship bouts, while advancing safety, education, and medical innovation in the sport.

*“On1 Ringside is more than a platform, it’s a movement,” said **Andrew Kluger**. “BoxMed is honored to stand with a program that puts athletes and fans at the heart of the experience.”*

BoxMed’s Contributions to the On1 Ringside Community:

- Comprehensive medical and wellness support for athletes
- Health screenings at both live and digital events
- Global partnerships with WBC, WBC Cares, and WBC University
- Education and outreach for fighters, families, and fans

About BoxMed

BoxMed is a global leader in fighter health and ringside medical services. With a strong track record in athlete safety, medical advocacy, and international collaboration, BoxMed provides essential support to fighters throughout their careers.
