***DID YOU KNOW: In Dutchess County alone 26,130 individuals suffer from Food Insecurity. That's 8.8% of the population that number includes 7,050 children in Dutchess County.***

Dear Neighbor,

***Gather Round the Table*** is the newest 501(c)(3) charitable organization in the Pawling community. Our mission is to provide prepared meals to the underserved and underprivileged members of our community. We will provide healthy meals at no cost and strive to reduce the effects that food insecurity, social isolation and limited means have on families and individuals.

It is a heartbreaking reality that almost seven percent of our community members are at or below the poverty line, including eight percent of our children and seniors. Because of this stark reality, we are committed to supporting well-being and improving quality of life, while honoring and respecting personal dignity. Staffed by Pawling volunteers, ***Gather Round the Table*** will offer not only healthy meals to those in need, but a sense of warmth and community to all.

Through county and state grants and your generosity, those who need our service will find a place of renewal as they gather round our table. Won't you please consider a donation to help us provide hot meals prepared by Pawling volunteers for all in Pawling who are hungry? We ask you to join us as we endeavor to make a difference . . . *one meal at a time.*

Thank you!

*Debra Muroski*
