Official Announcement: Increased Ampoule Volume at No Additional Cost

Dear Valued Clients,

At Nano Hair Growth Clinic, we remain dedicated to delivering exceptional care and continuously improving your experience with us. We are pleased to announce an enhancement to our product offering in response to your valuable feedback.

Effective immediately, **all our ampoules will now be provided in 8ml volumes**, increased from the previous 5ml — at **no additional cost** to you.

We understand that many clients have found the original 5ml quantity insufficient for full and comfortable application. Your feedback has guided this decision, and we are pleased to take on the additional cost ourselves to ensure you receive the quality and quantity you deserve.

This upgrade applies to all our ampoules, including:

- Scalp Cleansing Ampoule
- Hair Growth Booster Ampoule
- Dermal Papilla Activator Ampoule
- SDP Ampoule
- ADE Ampoule
- Anti-Sensitive Scalp Ampoule
- Anti-Oily Scalp Ampoule

With this change, we aim to further support the effectiveness and comfort of your treatments while maintaining our commitment to transparency, value, and client satisfaction.

Thank you for your continued trust in Nano Hair Growth Clinic. We look forward to continuing to serve you with even greater care.

Best regards,

KOH KOK LEONG
Operation Manager
